Shipping Instructions:

- Make sure that your books comply with our [Condition Guide](#). Also, check if there are any stickers: more information on why they are important [here](#).
- When a QR code shows up at the [order page](#), you can take it to a corresponding mail carrier office to print shipping label for free. In case you failed to retrieve the QR code you can print shipping label yourself. Read more about [USPS®](#) and [FedEx®](#) QR codes.
- If you wish to use your own shipping label, make sure to [notify Customer Support team](#) of the tracking number.
- Pack your books carefully (see how to do it [here](#)) and scan them at the stated mail carrier's office
- Do not use Priority or Express mail boxes
